Case UPC

Saison Ardennes™ is a tart saison, hand-crafted to embody the dependable, spirited nature of a classic Belgian-style farmhouse ale. This includes a crisp malt profile, rustic floral and spice notes and lively carbonation. Our rendition expresses further depth and character from its fermentation and maturation in a large oak foeder. Saison Ardennes will continue to pleasantly evolve in the bottle, thanks to the presence of wild yeast added for bottle conditioning.

Perfect with:

A fresh baguette, a tiny wheel of Oma, some olive oil and herbes de Provence

ABV: 6.3%

Release: Limited Specialty

Pronounced: Say-zahn Ar-den
